

Build Your Own Tabernacle in an Hour

Create your own...

With the help of a group of students, this cut-out paper model of the tabernacle will allow you to build a complete model of a tabernacle in about an hour.

Printable model of the tabernacle at www.GospelHall.org

Materials Needed

- Color printer
- Heavy paper.
- Adhesive Tape
- Scissors
- 24"x28" poster board (a.k.a. Bristol board)

Directions

1. Print out this document. Heavier paper will fold and support weight better.
2. With a scissors, cut out the tabernacle furniture and build each piece by following the fold lines.
3. Place the outer wall pieces around the perimeter of the poster board.
4. Fold and place the four coverings over the top of the tabernacle.
5. Arrange the tabernacle items according to the diagram to the right. See Exodus 25-30 for complete details.

The Ark of the Covenant

The ark of the covenant was the centerpiece of the tabernacle. It is housed in the Holiest of All. Two seraphim creatures are arched over the mercy seat.

Inside the Ark were placed three special objects: tablets of the law, a jar of manna and Aaron's rod.

Table of Bread

Cut one line to the center and fold this tab under.

Place the water inside the cone.

The Laver

The base of the laver is a strip of paper rolled into a cylinder.

Door of the courtyard—place at the entrance of the courtyard.

Veil- place inside the tabernacle as the door to the Holiest of All.

Walls Part 1

Fold and tape to the ground.

For best results. Print the walls on heavy paper or card stock for added strength.

You can also add strength to the walls by taping the ends of the tabernacle with extra tape.

Roof top

Fold along the top of the boards

Overlap here with the other half of the outer shell. Tape or staple both sides together and tape to the ground.
